8 The time allowed for payment of bills and removal of goods is either printed in the catalogue or announced by the Auctioneer and can always be obtained from the office of the Auctioneers. It is the duty of all purchasers to inform themselves thereof and no responsibility shall rest upon the Auctioneer by reason of the purchaser's ignorance thereof.

11 In case of purchases for which settlement is required by estimated or actual weights, counts or measures, no adjustments will be made after the time allowed by the Auctioneers for the removal of the purchases. No adjustment made on items sold by the lot

12 The record kept by the clerk of the sale, together with the marked catalogue of the Auctioneers, shall in all cases be accepted by the buyers as final when any question arises.

14 The Auctioneers will not be liable for non-delivery of any article above the amount paid by the purchaser of such article.

15 Commissions to purchase will be executed by the Auctioneers without charge, such purchases however, being made subject to the terms of sale.

16 In case of lots upon which there is a reserve, the Auctioneers shall have the right to bid on behalf of the seller.

17 All sales made by order of the Court are subject to the confirmation of the Court ordering the sale. The Auctioneers reserve the right to reject any or all bids.

18 Deposits must be paid in cash or in certified check. Deposit receipts must be returned to the representative of the Auctioneers at time and place of payment of bill or no credit can be allowed therefor.

19 In cases where items are sold by estimated weight, count or measure, the purchaser will be billed for and required to pay for the estimated weight, count or measure. If any shortage be shown upon delivery the purchaser will be rebated therefor at the rate of purchase. If there be an excess over the estimated weight, count or measure the purchaser will be required to take such excess at the rate of purchase.

20 In every case where samples of the lots are shown, these samples to the best of our belief are true and fair, but bidders are cautioned that they must make examination of lots before the sale and no allowance will be made on account of any difference between the sample and the lot. The location of every lot is obtainable from the Auctioneers and it is the duty of purchasers to make examination before the sale.
